NEW! Arctic Berry Illuminating Facial \$110

Series of 4 \$380

What if you could target aging, hyper-pigmentation, as well as sensitive, rosacea and acne prone skin in just 3 steps? Now you can do all that and awaken the skin's inner beauty with the New Arctic Berry Illuminating Collection from Eminence Organics. Transformation begins with an active exfoliation from the Enzyme Exfoliant, followed by the Pro Advanced Peel (a naturally-derived activating peel). Each work in harmony with the exclusive Peptide Radiance Cream to reveal the skin's true luminosity. Featured in this collection, an exquisite blend of arctic berries, lingonberry seed oil and hibiscus seed extract target all skin concerns to give skin a new lease on life. It's your time to discover smooth, even and luminous skin. For optimum results, four professional treatments are recommended over a sixteen-week period, in combination with the Arctic Berry Peel & Peptide Illuminating System at-home kit.

Back Facial \$75

This treatment is customized according to your specific needs and is intended to detoxify, rejuvenate, and hydrate every inch of the back area. Includes: Cleanse, steam, masks, exfoliation, extractions if needed, toner, moisturizer/spf. Perfect for all skin types.

DermaSweep + Epi-Infusion \$125

Series of 6 \$660

DermaSweep is the newest technology in microdermabrasion, improving overall skin appearance and health. Using a variable- level vacuum system & an appropriate tip, the dead skin from the top most layer is gently removed. This action stimulates blood flow which increases collagen formation, thus firming & toning the epidermis. Using Epi-Infusion adds additional benefits for specific skincare needs. Types of conditions treated are: * Reduction of fine lines & wrinkles * Hyperpigmentation, Photo damage * Uneven skin tone and texture * Minimize pores and appearance of scars.

Glo Custom Facial \$95

Glo therapeutics uses advanced formulations with potent concentrations of high levels of active ingredients and effective anti-oxidants. This facial uses a specific combination of products customized for your skin needs by our highly skilled aestheticians.

Acne Facial \$85

Gentle, but effective for adult or juvenile acne. Products are specifically designed for fighting bacteria and purifying. Recommended homecare products are essential for lasting results.

Facial & DermaSweep Add-On's \$25

* Vitamin C Masque - Rich in L-ascorbic Acid, this intensive treatment softens hyper-pigmentation and revitalizes the skin, delivering a brighter, luminous complexion.

* Pro-5 Exfoliant A versatile, yet unique blend of five alpha and poly hydroxy acids, both effective and gentle. This modern formulation balances results with no downtime and is even appropriate for sensitive skin. Skin is clearer, invigorated and glowing.

Chemical Exfoliations (peels)

Lunch Time Peel (Lactic Acid) \$75

The Lactic Acid Peel is safe and effective for all skin types, but is especially recommended for dry, sensitive, and aging skin. The purpose of this peel is to soften, stimulate, smooth, and exfoliate the skin. It reduces hyperpigmentation, and stimulates cell activity. This is a quick, superficial, yet effective peel. No visible flaking of the epidermal layer! The Lactic Acid Peel is the perfect peel for those who have never had a peel before.

Retinal + Vitamin C Power Peel \$160

This is a SUPER results oriented peel, with NO STINGING, OR BURNING. JUST RESULTS. Enjoy radiant, younger looking skin in about a week with the Retinal + C Power Peel.

Salicylic 30% \$100
Series of 4 \$350
Series of 6 \$500

Recommended for acne-prone, uneven tone and texture and aging skin. Can be performed at 2-4 week intervals. Maximum results with a series of 4-6 treatments.
